*DISTRICT: SATARA*

A Report on

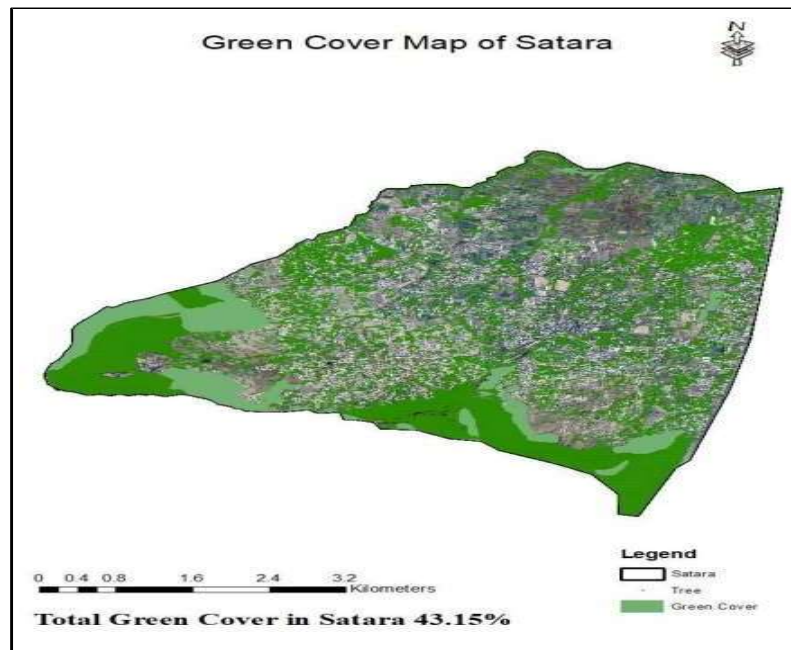

## TREE PLAN: A PLAN FOR ACHIEVING 33% GREEN LAND USE

# Declaration

## Tree plan: A plan for achieving 33% green land use

Satara Municipal Council has conducted a GPS survey for calculating the percentage of green coverage of the city area. It is found that 43.15% of the city area is under green cover and so, no separate master plan showing the green land use which is authorized by the local planning authority is prepared.

Therefore, Satara Nagar Parishad hereby declares that, no separate master plan showing the green land use which is authorized by the local planning authority is prepared.

  
Chief Officer  
Satara Municipal Council,  
Satara
